John Blosquist. Kicking Against the Pricks. SALT LAKE, February 24, 1883.

Editors Heraid: orable men towards your base and brutal contemporary which never appears without indulging in browbeating and bullying expressions concerning prominent and highly respected clizens, and takes a Tartuffian delight in presenting, beside such fiendish expressions, a Satanrabuking-sin sort of unctuous homily upon the excellence and necessiv of public and private virtue. sity of public and private virtue, even at times grievously bewalling the alleged decadence of the same. I have no sympathy with any such I have no sympathy with any such bypocrisy, and I hope it will always come to conspicuous and unsoothable grief, as it ought. Our patriot fathers fought and ored for the liberties of the people, but some take pleasure in desperate endeavors to curtail and even abolish those liberties, and to relegate the people to worse than old world serfdom, if such can be.

CITIZEN.

#### Hard Cases.

A great deal of anxiety is expressed that when the Denver and Rio Grande reaches here, it will bring in a vast number of hard eases; and there is reason in the dread. In one town on Green River it is said there are sixty outlaws It is said there are sixty outlaws who run everything; bullets are perpetually whistling, and shooting scrapes are of dally occurrence. As the road comes this way, of course these desperadoes will follow it into Utah. While these cases may cause a little trouble, it will be difficult for them to make any serious. cause a little trouble, it will be difficult for them to make any serious disturbance in quiet communities like Utah, for they will certainly be "set down upon," so to speak, and may be seriously damaged. It will only be a few weeks before they are converted into members of the Penitentiary corps, or become useful members of society by beautifying the streets. the streets.

Watch Recovered. On the evening of the carnival and ball at the Walker Opera House, a gentleman had a gold watch stolen. The police arrested a watch stolen. The police arrested a bootblack on suspicion, but becoming satisfied he was guiltless, he was released. Officers Smith and Salmon, who had the matter in charge, kept a constant mind on the affair, and learning that a party named Morgan had been seen about the place, and had acted in a manner which they considered sufficient to arouse suspicion, they secured a to arouse suspicion, they secured a search warrant and proceeded to his house. The search resulted in the discovery of the watch, and the man was arrested. He gave bonds for his many man was arrested. his appearance.

uneasiness among a certain class of occupants of the territory known as "squatters," many of whom have made it their place of residence for years. A list of such, numbering over 2,000 names, has been sent to Commissioner Price, asking him to have them removed. The commissioner Proposes to have Congress appoint a committee to investigate the matter. He thinks in cases where these squatters obtained the consent of the Indians to improve lands and erect buildings they ought to be recompensed before removal; but where they have taken possession without consent they ought to be ejected at since.
